Product Specification Sheet

Targus 15.4” Global Executive Roller

Part #: TER004US

Product Description:

The Global Executive Roller is the perfect all-inclusive case for the traveling executive. This roller is designed to fit notebooks with up to 15.4” screens. The Global executive features both Safeport protection and the Dome Protection system for maximum notebook security. The case is also constructed with durable 2520D and 840D ballistic nylon fabrics to ensure the roller withstands wear and tear while traveling. Toploading notebook compartments and a full workstation compartment make it easy to work on-the-go. The roller is equipped with a retractable blue light, removable 6-disk CD holder, retractable passport holder and ID holder for added convenience. It also includes an umbrella pocket, 3 removable accessories pouches, hide-away water bottle pocket and removable slipcase to insure you can store all office essentials as you travel. A large nyflex lined compartment is also included to accommodate a second notebook or projector. The ergonomic 4 stage push button trolley handle and built in trolley sleeve make this case easy to transport as the in-line skate wheels provide a smooth glide.
